

# 2009 UNR SKI & BOARD SWAP VENDOR APPLICATION

Please return (fax or mail) your completed application **no later than Thursday, Oct. 1, 2009.**

You can also visit [www.unrskiswap.com](http://www.unrskiswap.com) and click on the "Vendor Application" button to apply online. All applications will be reviewed by the UNR Ski & Board Swap Planning Committee. Once reviewed, vendors will receive approval and/or be asked to make adjustments to their merchandise mix. Vendors will only be approved to attend once their merchandise approximation is approved. The Planning Committee is asking for more merchandise specifics up front to ensure a diverse mix of inventory this year. This change in procedure is a product of vendor and shopper feedback and has been implemented in order to increase sales. Please advise if you have any questions or concerns.

We ask that each vendor donate an item to our volunteer raffle. More than 100 volunteers donate their entire weekend (others donate weeks and even months) each year to the swap, and without their help, the UNR Ski & Board Swap would not be a success. This raffle is our way of thanking them for their uncompensated time.

What will you donate? \_\_\_\_\_
